

IFS FOSTERING SOCIAL JUSTICE – 2021-2024

IFS Fostering Social Justice is a strategic European program run by the IFS network in 2021-2024 to enhance cooperation between IFS members around innovative practices in adult non-formal education, and to influence international institutions on active citizenship, migrant integration, and social inclusion.

Project's objective

Foster European cooperation and strengthen the capacity of the IFS network to provide and advocate for effective adult learning opportunities targeted to people with fewer opportunities, migrants, and refugees by means of mutual learning, peer counselling and capacity building.

Specific objectives

- To train, equip and support professionals and educators of IFS members in developing and setting up educational projects in the field of social inclusion or justice, active citizenship, and migrants' integration.
- To upscale IFS strategies and processes to improve European cooperation and advocacy in the field of adult education.

The Participants in this program are going to spend 4 days on a study visit to discover the way volunteers and professionals of your organisation are using innovative practices in the fields of active citizenship, migrant integration and social inclusion.
